dbForge Schema Compare for SQL Server Developer: dbForge.com Date: Jan 28, 2013 Source: N/A Version: 3.8  
[PROBLEM] Control transfer to another page? [SOLUTION] Go to tools>pagebreak options>allow break after current control This will allow the user to see the control transfer to the next page. A: In addition to the problem as described by @tyni, another problem you could run into is it not being able to load the module due to a conflict in the version number. If you want to be 100% safe, you could get a copy of the source and make your changes in that. This is something I have done myself on at least one project, just to be on the safe side. Be careful to apply the changes properly to the source and not forget to build prior to testing and deploying. Q: Given an open cover, let  $A$  be the union of some of the sets in the cover. Prove that  $\int_A f d\mu \geq \int_A f d\lambda$ . I'm trying to solve the following problem: Let  $(X, \mathcal{A}, \mu)$  be a  $\sigma$ -finite measure space, and let  $f: X \rightarrow \mathbb{R}$  be a measurable function such that  $\int f d\mu$
