Elden Ring is a fantasy action RPG that incorporates elements of both action and RPG. From the combat system to the skills system to the story, Elden Ring revamps and enhances all these elements to create an original fantasy game experience where you can fight for the player's choices that you make. Elden Ring that is set in the Lands Between. The Lands Between are connected to a huge world. It can be said that people use them like an endless playing field to battle with monsters and other people. Through the connections between the Lands Between, you can create your own world on the online game called as "Elden Ring Online" (currently in tests). In the world where secrets lie buried, a new fantasy RPG "Elden Ring", developed by SQUARE ENIX CO., LTD. that reigns above all, and a vast world that the player freely creates, unfold. KEY FEATURES

- Action An "Action RPG" featuring a unique combat system.
- Action-RPG Although there are a lot of action games, this game is different from those games. The various actions required in this game differ by the monsters, the situation, and the player.
- Large Battle System When you fight the big and powerful monsters, you enter a large battle system. There is a variety of attack patterns that you can freely use to deal with the monsters.
- Battle Strategies and Tactics While you are fighting, you can freely select a battle strategy and a battle tactic.
- Fighters When you join an empire, you will become a fighter with your friends. Fight together with your friends and the companions that you make.
- Characteristics of Fighters Fighters have their own story through their basic attacks and special attacks. Characters will receive new abilities through their own character development. Characters that join the party as an important part of your fight team.
- Skills There are two types of skills that you can equip and learn. There are attack skills and defense skills. Even if you fail during a fight, the skills that you equip and train will be maintained. (All statistics are calculated at start of battle.)
- Equipment The characters that you develop as you fight together, will become the team members of the opposing team. Their equipment will also develop according to the improvements

A Startup as Big as Airbnb is a Big Problem Editor's note: VentureBeat has updated this story to correct a statement made by UC Berkeley TechCrunch reporter Kyle Russell concerning the one-time size of Airbnb on March 26, 2014. Russell also provided the number of households in LA, San Francisco, and NYC but neglected to mention that he was aggregating Airbnb data from those cities' agencies. The impact of this error is inconsequential to the first three revisions of our story. Forget the charming San Franciscan traveler, San Francisco's sardonic museum curator, the eclectic Bostonian, or the handy Chicagoian. The innovative New Yorkers, the classic Brits, the energy-efficient Californians, the resilient Floridians, and the social Utahns — these are the cities that seem to have figured it out. Not only can these "average" cities host guests staying no more than four nights in their own city, but they are starting to host guests staying at least 50 nights, or a hundred, or
