

Important: Do not make the change permanent if it is not to be. If the change does not work at all and you have made any previous changes, please attempt to undo the change before restarting.

```
/elden-ring-v2.1.3/elden-ring/rc_script.sh>: chmod +x </p>
```

file rc_script.sh should have rwx

System Requirements For Elden Ring:

Important Information and Notes: Windows 10/8.1 While the game will work on newer versions of Windows, please be aware that there may be issues with updating certain Windows components such as .Net Framework and 3D Driver. If you are using an older version of Windows please contact the game's developer to find out if the game will run on your computer. If your computer isn't powerful enough to run the game, you might want to consider buying a gaming laptop instead of a desktop. Starting the game: For the
