What job has not been attributed to a pre-qualified candidate because of their résumé? A: In my experience, the vast majority of résumés read like mime acts. A: I don't know of an example, but I would suggest "None" A: The most common reason I've encountered for not taking a candidate's résumé into consideration is that no equivalent function exists within the organization, and they are therefore overqualified. Q: How to manually set the title for the currently displayed tab? When a tab is selected, its title is filled in with the currently selected text. Is it possible to set the title of the tab manually? A: Press Alt-A, on Windows, or Apple Tab-A, on macOS. Then navigate to a tab in the browser. In Chrome, press Alt-P (on Windows), or ⌘-P (on macOS) to go to the active tab. In Firefox, press Shift-⌘-B (on Windows) or Shift-⌘-B (on macOS) to go to the active tab.
