Bautista It was a five year course and she has just completed her second year of training. She has recently self published her first book, which is now available on Amazon. We thought we would ask for your recommendations on the best products to use for cooking Japanese meals. This is a book I wrote, with some friends. It is not Japanese, nor does it have anything to do with Japanese cooking. It's a sort of recipe collection, with notes on inspiration for each recipe, and a short history. There's 25 recipes in the book, each with a short 'history' of the recipe, and the name of whoever made it. There are no notes on how to make these recipes, they are based on personal taste and imagination.
